**Local school districts** and other schools see directly behind the new money the simple increase in proficiency from its commitment to 100% ready to read deliveries. Schools, the most at risk and all of us benefit.

## Intrusion, Discipline, Commitment, Guarantee, Pledge

**Local, national and multi-national business** see this as a non-cash hand up drive to grow economics, education, emotions and ethics without a tax increase. The concept of positive expectations, value, first things first, equity, debt leverage and risk are applied with simple product and services. No choice courage turns to leadership staging.

**This is a federal, state and local government** budget issue of growth delivered by the private sector. More proficiency, individualism and new money is created without tax increases. Public policy change to create this innovation is not significant at any level.

Commitment to readiness is no joke most critical.

Intrusion, Discipline, Commitment, Guarantee, Pledge, Contract

**The business plan opportunity is based on the social outcomes of local growth economics, education, emotions and ethics**

Uniquely the company places USA Veterans into local business as a step within its local design. Veterans are seen as critical local owners of this business because of 1. Public service message; 2. Banner that only the veteran can wave regarding sacrifice, rigor and commitment; delivering change to the world, creating education, literacy, democracy and freedom abroad.

The following guarantees will take 110% effort on the part of USA VALUES, LLC front line executives and customer service  
The business affiliates, schools, providers, and mentors count on 110% to accomplish 100% delivery  
Recognize this will require the active six sigma like evaluation below by mother and mentor to create the positive expectation starting before kindergarten

Business intrudes from the top before the contracts are signed to pledge unused assets (treasury shares) to jump start the district new money processes outside of the normal budget and funding routine. Pledged Treasury Shares support the School District Credit Default Swap (SDCDS) sold to districts

The Early Reading Skills Delivered Reserve Trust Assurance Bank (ERSDRTAB) manages the Swap transactions and reporting

School District Guarantee is a commitment by the school district to pay back the bonds from savings and innovation because of 100% ready to read delivery to the school district sets the stage for the background commitment to a process of continuous improvement focused on capacity constraint management

USA VALUES, LLC and School Districts will commitment to find 100% of the children who will not be ready in the opinion of mother without reference to means testing or present child care and preschool arrangement and help them contract with the ERSD-RA companies for services

USA VALUES, LLC (ERSD-RA) makes commitment that 100% of children will be ready to read starting in kindergarten.  
Guaranteed delivery of readiness from the community that meets exactly the needs assessment stated clearly as a requirement

6 months	100%	x	80%	=	80%
18 months	20%	x	80%	=	16%
24 months	4%	x	80%	=	3.2%
